**Date:** December 4, 2007

**To:** Honorable Chairman Bruno A. Barreiro and  
Members, Board of County Commissioners

Agenda Item No. 3(P)(1)(B)

**From:** George M. Burgess  
County Manager

**Subject:** To Receive and Expend Funds from the Florida Department of State 2007 –  
2008 Discipline Based Grant Program on behalf of the South Florida Cultural  
Consortium in the Amount of \$6,101

## **RECOMMENDATION**

It is recommended that the Board of County Commissioners approve the attached resolution which authorizes the County Manager to receive and expend funds from the State of Florida Division of Cultural Affairs in the amount of \$6,101 for FY2007-2008 to the South Florida Cultural Consortium, c/o Miami-Dade County Department of Cultural Affairs. The contract is for the period commencing July 1, 2007 – June 30, 2008.

## **SCOPE**

The South Florida Cultural Consortium provides services countywide and across the South Florida region to cultural organizations and artists.

## **FISCAL IMPACT/FUNDING SOURCE**

The source of funding for this grant is the State of Florida. This grant is to be matched by existing resources from the five participating county arts councils' current budgets that are committed to the FY2007-08 budget for the South Florida Cultural Consortium, an alliance of the local arts agencies of Broward, Martin, Miami-Dade, Monroe and Palm Beach counties. Miami-Dade County's total cash match for South Florida Cultural Consortium activities in FY2007-2008 is \$106,000 from the Department of Cultural Affairs' annual budget, authorized through the FY2007-08 Miami-Dade County Budget Ordinance.

## **TRACK RECORD/MONITOR**

The South Florida Cultural Consortium has a track record for fulfilling its contractual obligations and satisfying all of the programmatic requirements of its State grants. Michael Spring, Director of the Miami-Dade County Department of Cultural Affairs and Chairman of the South Florida Cultural Consortium, is responsible for monitoring the Consortium's compliance with the provisions of its grant contract with the State.

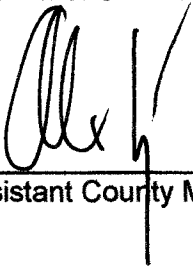

## **BACKGROUND**

The South Florida Cultural Consortium, a coalition of the arts councils of Martin, Palm Beach, Broward, Miami-Dade and Monroe Counties, has been awarded a Discipline Based Grant through the State of Florida Division of Cultural Affairs in FY2007-2008 to support its coordinated regional programs. The Consortium, established in 1985 by interlocal agreement among the participating counties, has been engaged steadily in developing resources, conceptualizing and implementing programs for the benefit of the region's cultural development, and expanding audiences throughout South Florida. In accordance with the interlocal agreement, Miami-Dade County, through its Department of Cultural Affairs, serves as fiscal and administrative agent for the South Florida Cultural Consortium.

Honorable Chairman Bruno A. Barreiro  
And Members, Board of County Commissioners

Since its inception, the Consortium has designed and implemented manifold innovative projects. Representative examples include: coordinating a grants program to encourage regional touring by resident arts and cultural organizations which emphasizes providing services to and developing audiences in underserved counties, thereby providing increased, high quality, cultural, educational experiences for youth in underserved areas and increased performance opportunities for arts groups; establishing and maintaining the largest individual artists' fellowship program in the nation offered by a local arts agency; developing a comprehensive regional advertising initiative that incorporates print and broadcast media, collateral materials and publications, public information dissemination, market research, economic impact assessments, etc.; providing intensive, professional development, skill-building workshops and seminars for artists and administrators, utilizing national faculty; organizing an interactive series of workshops and technical seminars geared toward affecting long term changes in our education system by targeting those responsible for causing change (education administrators, parents, artists/arts professionals, discipline teachers, art teachers), and exposing them to ideas that will impact on the curricular decisions made for new directions for South Florida; and spearheading a statewide cultural tourism campaign in collaboration with local convention and visitors bureaus, the Florida Department of Tourism, and Visit Florida: FLA/USA. State grant funds are budgeted to offset a portion of the expenses associated with the Consortium's marketing, outreach and professional development 2007-2008.

The Consortium has been recognized nationally and statewide as a model for interagency/intercounty, regional cooperation and collaboration. It was awarded the South Florida Regional Resource Center's (SFRRC) Regional Governance Award, and its programs have received funding support from the National Endowment for the Arts, the State of Florida Division of Cultural Affairs and the private sector.

## Grant Proposal Summary

## Attachment A

For the upcoming grant period, identify the goal(s) and specific objectives of the program, then provide an overview of the methods that will be used to meet the goal(s) and objectives. Finally, outline your process for evaluation.

**GOALS:**

The programs and activities of the South Florida Cultural Consortium (SFCC) are conceived and implemented specifically to advance the following regional common goals:

- to **extend opportunities** for artists and arts organizations throughout the five-county region;
- to **strengthen the regional arts** community;
- to **serve audiences better** and/or increase participation in cultural activities; and
- to **enhance educational and life-long learning** experiences for South Florida residents

**OBJECTIVES:**

The objectives of the SFCC's programs, which have demonstrated direct, positive impacts and effects on the cultural development in the region, are as follows:

- **Professional Development and Training for Artists and Arts Professionals** – to help South Florida's "young" cultural community build capacity and stability, while continuously enhancing the artistic product;
- **Regional Marketing and Promotion** – to maximize the economies of joint marketing and advertising for the benefit of the region's cultural assets, to reach the broadest possible audiences, and to build relationships that integrate and market cultural products as part of the region's overall promotion and image development;
- **Regional Arts Education and Outreach Initiatives** – to enable first-rate arts experiences to be available to underserved populations throughout the region, while providing earned income for artists and arts groups;
- **Regional Advocacy and Consensus-building on Arts Issues** – to raise awareness of and to engage civic, political and business leadership in advancing the arts as part of the agenda for regional advancement.

**METHODS:**

To accomplish these goals and objectives, the SFCC employs the following strategies:

- **Professional Development and Training** – coordinate technical assistance workshops for artists and arts organizations, and provide professional advancement for individual artists to recognize and promote the quality of the growing creative community of artists living and working in South Florida.
- **Regional Marketing and Promotion** – create promotional campaigns and marketing vehicles to build awareness of and earned revenue for the cultural resources in the region
- **Regional Arts Education and Outreach Initiatives** – The Regional Arts Education Touring Program (program suspended due to lack of funds) is designed to provide excellent artistic performances and educational experiences for students and audiences that cannot regularly or easily access such programs.
- **Regional Advocacy and Consensus-building on Arts Issues** – work with regional, civic, business and political organizations to raise awareness of cultural issues across industries, and to incorporate the cultural agenda as an integral part of regional development efforts.
